

TOLPUDDLE VILLAGE HALL

Annual General Meetings of Charities Numbered 257403 and 1195647 at 7pm on Tuesday 6 June 2023 at the Village Hall

All in the community are cordially invited to these annual general meetings at which the Annual Report and Accounts for the 2022-23 will be presented.

The Village Hall is at present governed by two charities with virtually identical objects and, with one exception, the same trustees.

The Village Hall Charitable Incorporated Organisation (1195647), with the constitution now recommended for Village Halls, was set up two years ago and is the lead organisation running the Hall.

However, the existing Charity (257403), in which the land and building is vested, must continue in being until those assets have been transferred to the new charity, work on which is ongoing.

Because the constitutions are different, we have to have an AGM for each charity. The main focus, though, will be on the work of the Charitable Incorporated Organisation.
